| Product Description | Our Cornish Sea Salt Flakes are more delicate with a mineral-rich flavour that initially hits the palate and withdraws to enhance other ingredients. The flakes are ideal as a centrepiece for use as a condiment or as a finishing salt on most dishes. Sprinkle onto cod or haddock fillets before cooking or top scallops with butter and sea salt flakes before grilling. They will also melt more easily, making them particularly good in sauces, marinades or herby rubs on meat. |
